

Folsom Softball Club Coach Expectations

6U

Coach's experience should be a basic knowledge of the game either through previous coaching experience or having played softball/baseball at the high school level or above.

- Goals for Season:**
1. For girls to have fun.
 2. For girls wanting to return and play next season.

8U

Coach's experience should be a basic knowledge of the game either through previous coaching in any sport so long as they have played softball/baseball at the high school level or above.

- Goals for Season:**
1. For girls to have fun.
 2. Develop fundamentals.

10U

Coach's experience should be a thorough knowledge of ASA Rules, with previous coaching experience for a minimum of (2) two years and past playing experience at the high school level or above.

- Goals for Season:**
1. For girls to have fun.
 2. Introduce position skills and game strategy.

12U

Coach's experience should be a thorough knowledge of ASA Rules, with previous coaching experience for a minimum of (2) years and past playing experience at the high school level or above, and having coached within FSC a minimum of (1) one year.

- Goals for Season:**
1. For girls to have fun.
 2. Develop position and strategies at a competitive level of play.

14U

Coach's experience should be a thorough knowledge of ASA Rules, having coached the 12U and above division a minimum of (2) two years, past playing experience at the high school level or above, having coached within FSC a minimum of (1) one year and some coaching experience at the competitive levels.

- Goals for Season:**
1. For girls to have fun.
 2. Refine positions and strategies at a higher competitive level of play.

** Be willing to follow basic rules and guidelines set forth by the league, pass background checks and reference checks and understanding that parents, other coaches and board members will be evaluating their attitude, communication skills and overall performance at season's end.
