### **Section 3. Local Rules – All Divisions**

1. Home team will be responsible for recording official scorebook. Each team must present the batting order with jersey numbers to the opposing team/scorekeeper 10 minutes prior to game start time. The umpire will report the score to the Umpire-in-Chief who will record the score in Team Sideline.
2. Only the assigned Umpire, Umpire-in-Chief, or the designated Board member has the authority to cancel a game prior to game time due to field and/or weather conditions. Only games cancelled because of field and/or weather conditions shall be rescheduled, at the discretion of the rec/secretary and/or President.
3. With board approval and notification of good cause which would prohibit fielding a legal team, a coach may borrow up to 3 players or the minimum required for legal play (whichever is less). Borrowed players may not be from the opposing team, must be from the FSC rec league and within the same age division. Borrowed players may not pitch. Failure to provide sufficient notification and good cause shall result in a forfeit by the team unable to field a team. The coach must provide to age division rep the name of the absent players. Once borrowed players are secured and approved by the division rep the players identified as absent may not play in game in question.
4. The standings will be kept during the regular season to determine playoff seeds. The highest seeded team is home team throughout the tournament. There will be no standings in the 6U Division. Standings will be calculated automatically by TeamSideline in the following priority order:
  - A. Winning Percentage
  - B. Head to Head Winning Percentage
  - C. Head to Head Runs Against
  - D. Total Runs Against
  - E. Total Runs Differential
  - F. Coin Toss
5. No member of any team can be placed on any other team after the teams are compiled. No placement of players will be allowed after opening day. The exception to this is by Board approval only.
6. Home team, as identified in Team Sideline, shall take the third base side of the field, and visitors will take the first base side.
7. Teams are not to use the dirt portion of the infield that is designated as fair Territory before games. For warm-ups, teams can use the dirt areas adjacent to the dugout and areas of the outfield.
8. Forfeit time is game time plus 10 minutes. The minimum number of players needed to have an official game is 8 players for the spring and 7 players for the fall leagues. A team having less than the designated number of players needed at forfeit time must forfeit the game. If both teams have

less than the designated number of players needed at forfeit time, both teams forfeit the game and earn no points in their division standings.

9. All forfeits will be recorded as a score of 7-0.
10. Head Coaches and Assistant Coaches are prohibited from instructing and/or coaching the players while they are on the field or at bat from any location other than the dugout or field of play as defined by the umpire. Except when a designated base coach, coaches must remain either in the dugout or in the "designated" chalk area outside the dugout. The designated chalked area will be half the circumference of the gate. Two coaches are allowed in the chalked area. If either coach steps out of the "designated" chalked area except for when time is called, they will be given a warning. The second warning will result in the gate being shut and coaches will remain in the dugout except for designated base coaches. Home team is responsible for chalking the area.
11. Players must wear the uniform as furnished by the league, and shirts must be tucked in at all times while on the playing field. If not, the player could receive a strike if at bat and/or removed from the playing field if on defense. One warning is issued before the penalty is incurred. Upon receiving a warning, the player can correct the problem and proceed playing. Players may wear a tucked in undershirt (not yellow) and can wear a jacket while on the field. Players must remove the jacket while taking their turn at bat. "Fun" socks may be worn in lieu of league provided socks.
12. After each game or practice, each team is responsible to make sure the fields and spectator areas are clean and not littered with debris.
13. After each game or practice, the home team shall drag the infield with the rakes provided at each field, unless otherwise directed by the league/City.
14. The League will not be responsible for any personal equipment and/or items of the players, nor assume any liability for players using personal equipment. Personal equipment is required to meet the specifications and safety standards set by USA Softball. Personal equipment includes, but is not limited to, all articles of clothing (including hats and shoes/cleats), bats, gloves, balls, bases, catcher's gear or any other item not expressly approved of by the league.
15. In case of injury, each Head Coach must always have each player's medical release with him/her at every function, practice, and game. Prior to the start of games, a board member may check with each Head Coach to ensure possession of the releases. All injuries causing a player to quit playing for the rest of practice or game must be reported to division rep or player agent within 1 hour following the applicable practice or game. A coach's first offense for failing to have the releases or reporting injury will result in a warning. A second offense will result in suspension of the coach.
16. At NO time is alcohol, vaping, or any form of tobacco allowed on the premises where league games, practices, or league events (with children present) are being held. Head Coaches and Assistant Coaches will be responsible for ensuring that spectators do not violate this policy. Any violations will result in suspension.
17. A player that is batting, on-deck or a base runner must wear a league approved batting helmet which includes both a chinstrap and an approved facemask. This rule is in effect for both games and practices. Chinstraps are required unless playing under NorCal rules.

18. USA Softball requires that all bats used in league play must have the approved USA Softball certification stamp. Exception: 6U may use a bat stamped with "Official Softball".
19. All Divisions shall use the double safety first base with the orange side of the base outside the foul line provided the field in use is equipped with double pegs.
20. Players are not allowed to wear jewelry of any kind during games or practices except a medical alert bracelet or necklace. Any player violating this rule will be removed from the game until she complies if a player is at bat after being warned then a strike will be called. Medical alert bracelets must be taped to the player's wrist.

#### **Section 4. Protest – All Divisions (except 6U)**

The protest of a game requires a \$25 fee at the time the protest is filed. All protests must be filed verbally to the umpire immediately after the play and prior to the next pitch or the play stands. If the protest is upheld, the fee will be returned to the payee. If not, the fee will go to the league. In addition to the verbal filing with the umpire, a written description of the specific infraction of the rule must be delivered to the Umpire-in-Chief within 48 hours of the end of the protested game. The Umpire-in-Chief in conjunction with a designated board member will review the protest and evaluate the issue. The final decision cannot be appealed or protested.

#### **Section 5. Playing Rules – All Divisions**

1. For all divisions, a player must play a minimum of 2 innings at a defensive position by the end of the 4th inning. In the 6U/8U Divisions; each girl present at the game must play a minimum of 2 innings in the field and have at least 1 turn at bat. In one of the 2 required innings in the field, the girl must play an infield position. For the 10U division, each player must play a full inning of infield by the end of the 3rd inning. A full inning constitutes three consecutive outs or 5 runs. Infield positions are 1st base, 2nd base, Short Stop, 3rd base, Pitcher and Catcher. If a player does not wish to play an infield position, a written statement must be obtained from her parent(s) and presented at the plate meeting before the game. CONSEQUENCE: If a coach is found in violation of rule Section 5.1 it will result in their team receiving a forfeit of 0-7 for that game and the Head Coach will be suspended for their next scheduled game. For the 12u division (and up), there are no infield position play requirements.

##### **Protest Procedure for Rule Section 5.1**

The contending coach must notify the umpire immediately at the appropriate end of the 3<sup>rd</sup> inning of the potential violation of Section 5.1. The game will continue to be played under protest and an investigation will take place immediately following the game.

2. All players will bat throughout the game (round robin) with field substitutions not affecting the batting order.
3. A player that is expected to arrive late but prior to the top of the 3rd inning may play at the Head Coach's discretion. (Example – The parents called and said their daughter is coming, but will be late.) The player must be listed as the last batter on the line-up card. The umpire, official scorekeeper and other Head Coach are to be notified at the pre-game conference of the late arriving player. If the player is not present when they are called to bat throughout the game, an out will be recorded. Note: The Head Coach does have a last chance to remove the player's name from the line-up at her 1st turn at

bat. If this option occurs the player is not eligible to play in that game. This rule only applies to the 8U, 10U, 12U and Majors Divisions (14U & 16U).

4. Should a player need to leave the game for any reason other than an injury incurred during the game, an out will be recorded in each subsequent at bat for the remainder of the game. If the departure of a non-injured player leaves the team with less than 8 players (spring) or 7 players (fall); a forfeit will be imposed to the offending team. If the injury caused this circumstance the game can continue without forfeit and will not result in an out being taken. The injured player may not re-enter the game. This rule only applies to the 8U, 10U, 12U and Majors Divisions (14U & 16U).
5. There will be free substitution in the field at any time. Pitching rules stated elsewhere still apply.
6. A player is eligible to pitch in a maximum total of 3 innings per game. One pitch to a batter constitutes 1 inning pitched.
7. No new innings will be started after 1 hour and 20 minutes of play. A new inning will start upon the final out of the previous inning. At 1 hour and 40 minutes, the games over unless a batter is at the plate and at least one pitch has been thrown to her; that batter may complete her at bat. Note - This rule does not apply during tournament (playoff) play and the final full inning shall be completed.
8. For the last inning to count each team must get their fair turn at bats. When time is called, the winner will be decided using one of the following conditions:
  - A. If the home team is ahead, the home team wins.
  - B. If the game is tied, inning counts if the home team was behind in the prior inning, otherwise the score reverts to the last completed inning.
  - C. If visitor team is ahead, score reverts to the last completed inning.

**Note - This rule does not apply during tournament (playoff) play and the final full inning shall be completed.**
9. If the home team is in the lead at the conclusion of the current batter or the 1 hour and 50 minute time limit, they will be rewarded the victory. If the home team is not in the lead, but has not finished the inning, the score will revert back to the end of the previous full inning. **Note - This rule does not apply during tournament (playoff) play and the final full inning shall be completed.**
10. For all Divisions, the 10 run "mercy" rule is in effect after the completion of 4 innings of play. This rule can only be imposed at the end of an inning in order to allow the home team their last at bat.
11. In the event of a tie at the end of time or regulation play during the post season tournament, international tiebreaker rules will be utilized for the next inning of play (i.e., each team starts the inning with the player who completed the last official at bat, as a base runner on 2nd base.) Each subsequent inning will start the same until a winner has been determined.)
12. An official game will be 3 innings. If circumstances, such as late arriving officials or field availability, delay the start of the game by 30 minutes or more, it will be played as a 2 inning official game with each girl playing at least 1 inning of defense. The umpire will note the 30 minute delayed start and inform each team that substitutions are required by the top of the 2nd inning.
13. If any game is called due to inclement weather and 2 full innings were completed, it will be considered an official game and will not be rescheduled for a later date. There will be no penalty for a player that hasn't entered on defense.

14. A regulation game is a maximum of 5 innings for 6U and 8U, 6 innings for 10U and 7 innings for 12U and Majors.
15. On plays at any base except 1st base (double-base rule applies), the defensive player and the runner are each entitled to a section of the base, but must allow room for the runner to stop or tag the base. If a defensive player who does not have possession of the ball blocks either the runner's path or the runner from the base, this is considered obstruction and the runner will be awarded the base plus 1 additional base. If the additional base is occupied that runner too shall advance. Exception: If a defensive player has possession of the ball, they may temporarily obstruct the runner from the base for the purposes of applying a tag.
16. For any plays at a base it is the runner's responsibility to avoid a collision by either sliding or retreating back to the previous base. Any collision deemed intentional and not incidental by the umpire shall result in an out and that player's ejection from the game.
