- **Bylaw update:** head coach’s daughter automatically on the team and one assistant coach gets to schedule their child on the team but it counts as first draft pick.
- **Clinic Prices**
 - 2 Coach Ray Clinics \$40/player, max 40 players = \$1600/clinic
 - FLC pitching/catching \$50/player = \$600-\$2500 for clinic. The board is in favor of offering a High School clinic with a donation to the high school.
 - Coach Christy pitching/catching \$35/player, max 40 = \$1400-\$1700
 - Coaching Clinic fee \$500 (approx \$20/coach)

- Clinics will be offered at no cost for players. They will be able to enroll for 2 clinics, and waitlisted for others in order to avoid the same kids getting into the clinics and have equal opportunity for all players.
